The Career and Technical Training Scholarship is awarded to select Wakefield graduating seniors who plan to attend a non-degree bearing continuing education/training program that provides career preparation leading to a marketable skill. Successful completion of such programs and passage of affiliated exams may result in recognized industry credentials, professional certifications, jurisdictional licensure, and/or prerequisite requirements for ongoing education or on-the-job-training. The amount of the scholarship will be determined after consideration of the cost and length of the program.

All applications will be evaluated by a panel of Wakefield graduates and staff. You may attach an Activities Resume, if it answers questions 5, 6 and 7. Electronic submission is preferred and handwritten applications will not be considered.

Please complete and save this form. Once completed, the application can be submitted one of three ways: 1) Click the "Submit by Email" button, 2) Email to information@wakefieldalumni.org, 3) Print and mail to WHSEF, PO Box 41675, Arlington, VA 22204.

In addition to the application, please also send the following materials to accompany it:

- Two letters of recommendation
- Your academic transcript
- Any other attachments, such as an Activities Resume
- Documentation confirming acceptance/enrollment in the program you are pursuing

Questions about the application process may be directed to the Wakefield Education Foundation at information@wakefieldalumni.org.
